

We are Inclusion Leaders.

We work as part of a proactive team in school with the Inclusion Manager, Mrs Chappell.

We raise awareness of different disabilities and to do our best to make sure that all children, parents, staff and visitors who have a disability are included at Giles. We always begin with the end in mind and work out the steps to achieve our goal. We are a proactive group that uses the 7 habits to help us to do the best we can in our leadership roles.
