We are really happy with the way my child is treated in regards to his behaviour.

The teachers do a fantastic job of educating and ensuring that the children are well looked after. They also communicate effectively with myself, as a parent. Thank you.

My child said she wished the infant school was as fun as the junior school

Excellent school you should be proud of all the teachers

I would like to see more emphasis on science.

The school have helped fantastically with both children that have attended here and supported myself as a parent

My child is very happy here and has come along so well.

Brilliant school

I feel we are asked for money on a lot of occasions.

Fab school, my child loves it

I would just like to say that this has been a very pleasurable journey for my child, the school have met her needs both emotionally and physically.
